TEMPE SISTER CITIES PRESENTS Domspatzen Boys Choir

DON'T MISS THIS OPPORTUNITY!

Imagine the intimate setting of our very own Tempe Center for the Arts, soaking up the joyous, rich harmonies of the oldest boys choir in the world. Tempe Sister Cities is excited to host one of the most celebrated boys choirs in the world. In 1976 Pope Paul VI congratulated the “Regensburger Domspatzen” on their 1,000th anniversary. The Domspatzen, literally “Cathedral Sparrows”, trace their origins back to the year 975. In many successful concerts they have won the hearts of their audiences and are welcomed all over the world. They look just as smart in their dark blue suits which they wear in concerts as they do in their red and white liturgical gowns worn during the services in the Cathedral of St Peter in Regensburg, Germany. The choir’s repertoire comprises music from 16th century chorale to contemporary music. Probably it is their stylistic versatility besides the technical perfection which gives the choir its attractiveness and reputation.

Tickets are on sale now for \$15, \$20, and \$25 from all TSC Board Members and at the Tempe Center for the Arts. **APRIL 23rd 7:30pm Tempe Center For The Arts**

"Excitement builds for 2014 Professional Educator Exchange Teachers, Sara Berns and Liz Leivas as they chat with former teacher delegates, Cassie Schey, Jenny Klein, and Chelsea Schell over a pizza and salad. It was a wonderful evening as Cassie, Jenny, and Chelsea shared their experience, advice and friendly tips."

Tempe Sister Cities Professional Educator Exchange Program is asking people who have extra guest passes for the Botanical Gardens if they would be interested in making the passes available through donations to our visiting international educators participating in the Educator Exchange. If interested, please contact Linda Parrish at lparrishaz@gmail.com. Any donations would be appreciated and put to good use.

The youth group has received 32 new members as of TSC Selection Night. At the March meeting, 26 members attended with half of them being new members! We will have an event on April 6 for the entire youth group to hang out together at an ice cream social. The youth group will meet from 4-6 pm at the home of coordinator, Beth Lang. She will provide the ice cream while the members shall bring the best part: the TOPPINGS!!!!

We partnered with the Tempe Elementary School District in locating a family in need. Governing Board Members of TSC and the youth group filled the entire pantry for this family with paper products, canned goods, boxed items, etc. Four youth group members will be delivering the food donations soon to a very appreciative family. Governing Board members and members at large in the organization are encouraged to donate during the month of April as well. Thus, one more delivery will go to this family and the FAMILY FOOD DRIVE will be complete. Thank you to all the members of the TSC organization who gave generously to the youth group's philanthropy project for March and April.

On April 12, the youth group will be partnering with ASU to sponsor a food concession stand at the EARTH DAY SOCCER CLASSIC event. This soccer event will earn proceeds so that indestructible soccer balls and solar lighting can be provided to countries in Africa. Currently, 1.8 billion soccer balls end up in landfills. This indestructible soccer ball shall aim to alleviate this environmental waste. Our youth group will be serving concessions from 9 am - 4 pm. Those members involved in set up need to arrive at the ASU Recreation Field at 8 am. If any parents or members would like to join in and help serve concessions with us - please contact Youth Group Coordinator, Beth Lang at blang3bysea@me.com.

Finally - the youth group will begin to plan an August prom dance event for all of our sister city delegates before they leave America from their summer exchange. Themes have been generated and at the next meeting - the group shall select the theme of their choice and begin to plan all the logistics.

Council member Kolby Granville was our guest speaker at the March meeting. He revealed stories of his world travels and the way in which his travels have helped him develop as he is today. He helped the teenagers view the world as different perspectives, different cultures, different lifestyles but not better than or worse than. He advised the youth to embrace each experience fully through the eyes of the local inhabitants in addition to standing next to country landmarks for photos. His time with the youth group was greatly appreciated and valued by the teens who were in attendance. Thank you Kolby Granville for your time with us!

Respectfully submitted by Beth Lang, Volunteer Coordinator of TSC Youth Group

Introducing our Kitchen Club Where "foodies" meet "food lovers"!

Guests will work in small groups with our chef-du-event in the Hackett House's fully equipped kitchen, learning tips of the trade and tasting the food that you prepare. Guests will leave this event with samples and recipes. Most of the food presented in the Kitchen Club can be made ahead of time, frozen, and served when you want to enjoy it.

Seating is limited to 8 guests at a registration fee of \$45. Guests are encouraged to bring a copy of one of their own favorite recipes to share with their new food friends. Classes begin at 6 pm as guests sip **complimentary wine** while learning about the evening's fare and participating in creating food and fun. And it all ends as we sit down to enjoy our creations. Most classes run about 3 hours. Happy hour begins at 5:30 for those wishing to browse and shop at the gift shop. Our Kitchen Club motto is, "Meet. Create. Eat. Repeat."
